

Application for EPSRC UK NSCCS Computing Resources

Please return the completed application with a description of your proposed project (preferably by email) to Dr Helen Tsui (helen.tsui@imperial.ac.uk).

Please ensure that you have read the application guidelines and agree to submit a final report and acknowledge the use of the NSCCS in any presentations and publications that arise from your project before completing this form.

Title:	
Name:	
Department/Group:	
Institution:	
Position held:	
Telephone:	
Fax:	
E-mail:	
Address:	
Your collaborators:	
<p>Please list your collaborators if any. Please give their titles, names, affiliations and email addresses.</p> <p>Please list the members of your group/collaborators you wish to be registered under your Account. Please give their titles, names, email addresses, and NSCCS userids if applicable.</p>	
Project details	
Project title:	
Project description:	[Enter description here or submit a Word or PDF document of your project description]

Project resources	
Computing time required:	[Computing time in CPU hours (maximum 100,000 CPU hours) per year]
Proposed start date:	Duration: [Maximum 1 year]
Examples of CPU required for a job:	[Please give examples of CPU hours required for a typical job if known]
Disk space:	[Please state how much you need if more than 10GB is needed]
Software requirements	
Software packages:	[Please list the software packages required]
Training requirements	
Hands-on training:	Do you or your group/collaborators require hands-on training? Yes <input type="checkbox"/> No <input type="checkbox"/>
Software to be trained on:	[Please list the software packages training required if applicable]
Other grants	
Grants associated with this project:	Do you have any other grants associated with this project? Yes <input type="checkbox"/> No <input type="checkbox"/> (Note: grants may be for staff, travel, equipment, etc.)
Grant details:	Grant body: Grant number: Date of grant: Duration of grant: [Please give details of grant if applicable]

Justification for use of NSCCS resources	
<p>Please select your reason for applying for NSCCS resources from the choices below. (Tick all the boxes that apply.)</p> <p><input type="checkbox"/> I require access to one or more software packages that are not available to me locally</p> <p><input type="checkbox"/> I require access to more computer resources than are available to me locally</p> <p><input type="checkbox"/> I require support and training in order to run my calculations</p> <p><input type="checkbox"/> Other (please specify)</p>	
<p>Please estimate what percentage of your research is computational.</p> <p>0% <input type="checkbox"/> < 25% <input type="checkbox"/> 25 - 50% <input type="checkbox"/> 51 - 75% <input type="checkbox"/> 75 - 100% <input type="checkbox"/></p>	
<p>Please estimate what percentage of your total research effort is dependent on NSCCS.</p> <p>< 25% <input type="checkbox"/> 25 - 50% <input type="checkbox"/> 51 - 75% <input type="checkbox"/> > 75% <input type="checkbox"/></p>	
<p>Please indicate the resources that you have been allocated by the Service over the past 4 years.</p> <p>0 <input type="checkbox"/> < 20,000 <input type="checkbox"/> 20,000 - 50,000 <input type="checkbox"/> > 50,000 <input type="checkbox"/> (in CPU hours)</p>	
Please acknowledge the following statement by placing your signature in the space below. For those using email, please write "I agree".	
<p>"I will provide a brief report at the end of my project and will acknowledge the use of the EPSRC UK NSCCS in any presentations and publications that arise from this work."</p>
